

MANITOU 1986

1986 Manitou

**Taconic High School
Pittsfield, Massachusetts**

Forever is the way you feel
When you tell someone you
love them

Forever is that distant look in
your eyes when you have
to say "goodbye"

Forever is the pain you carry
in your heart when you've
lost someone dear

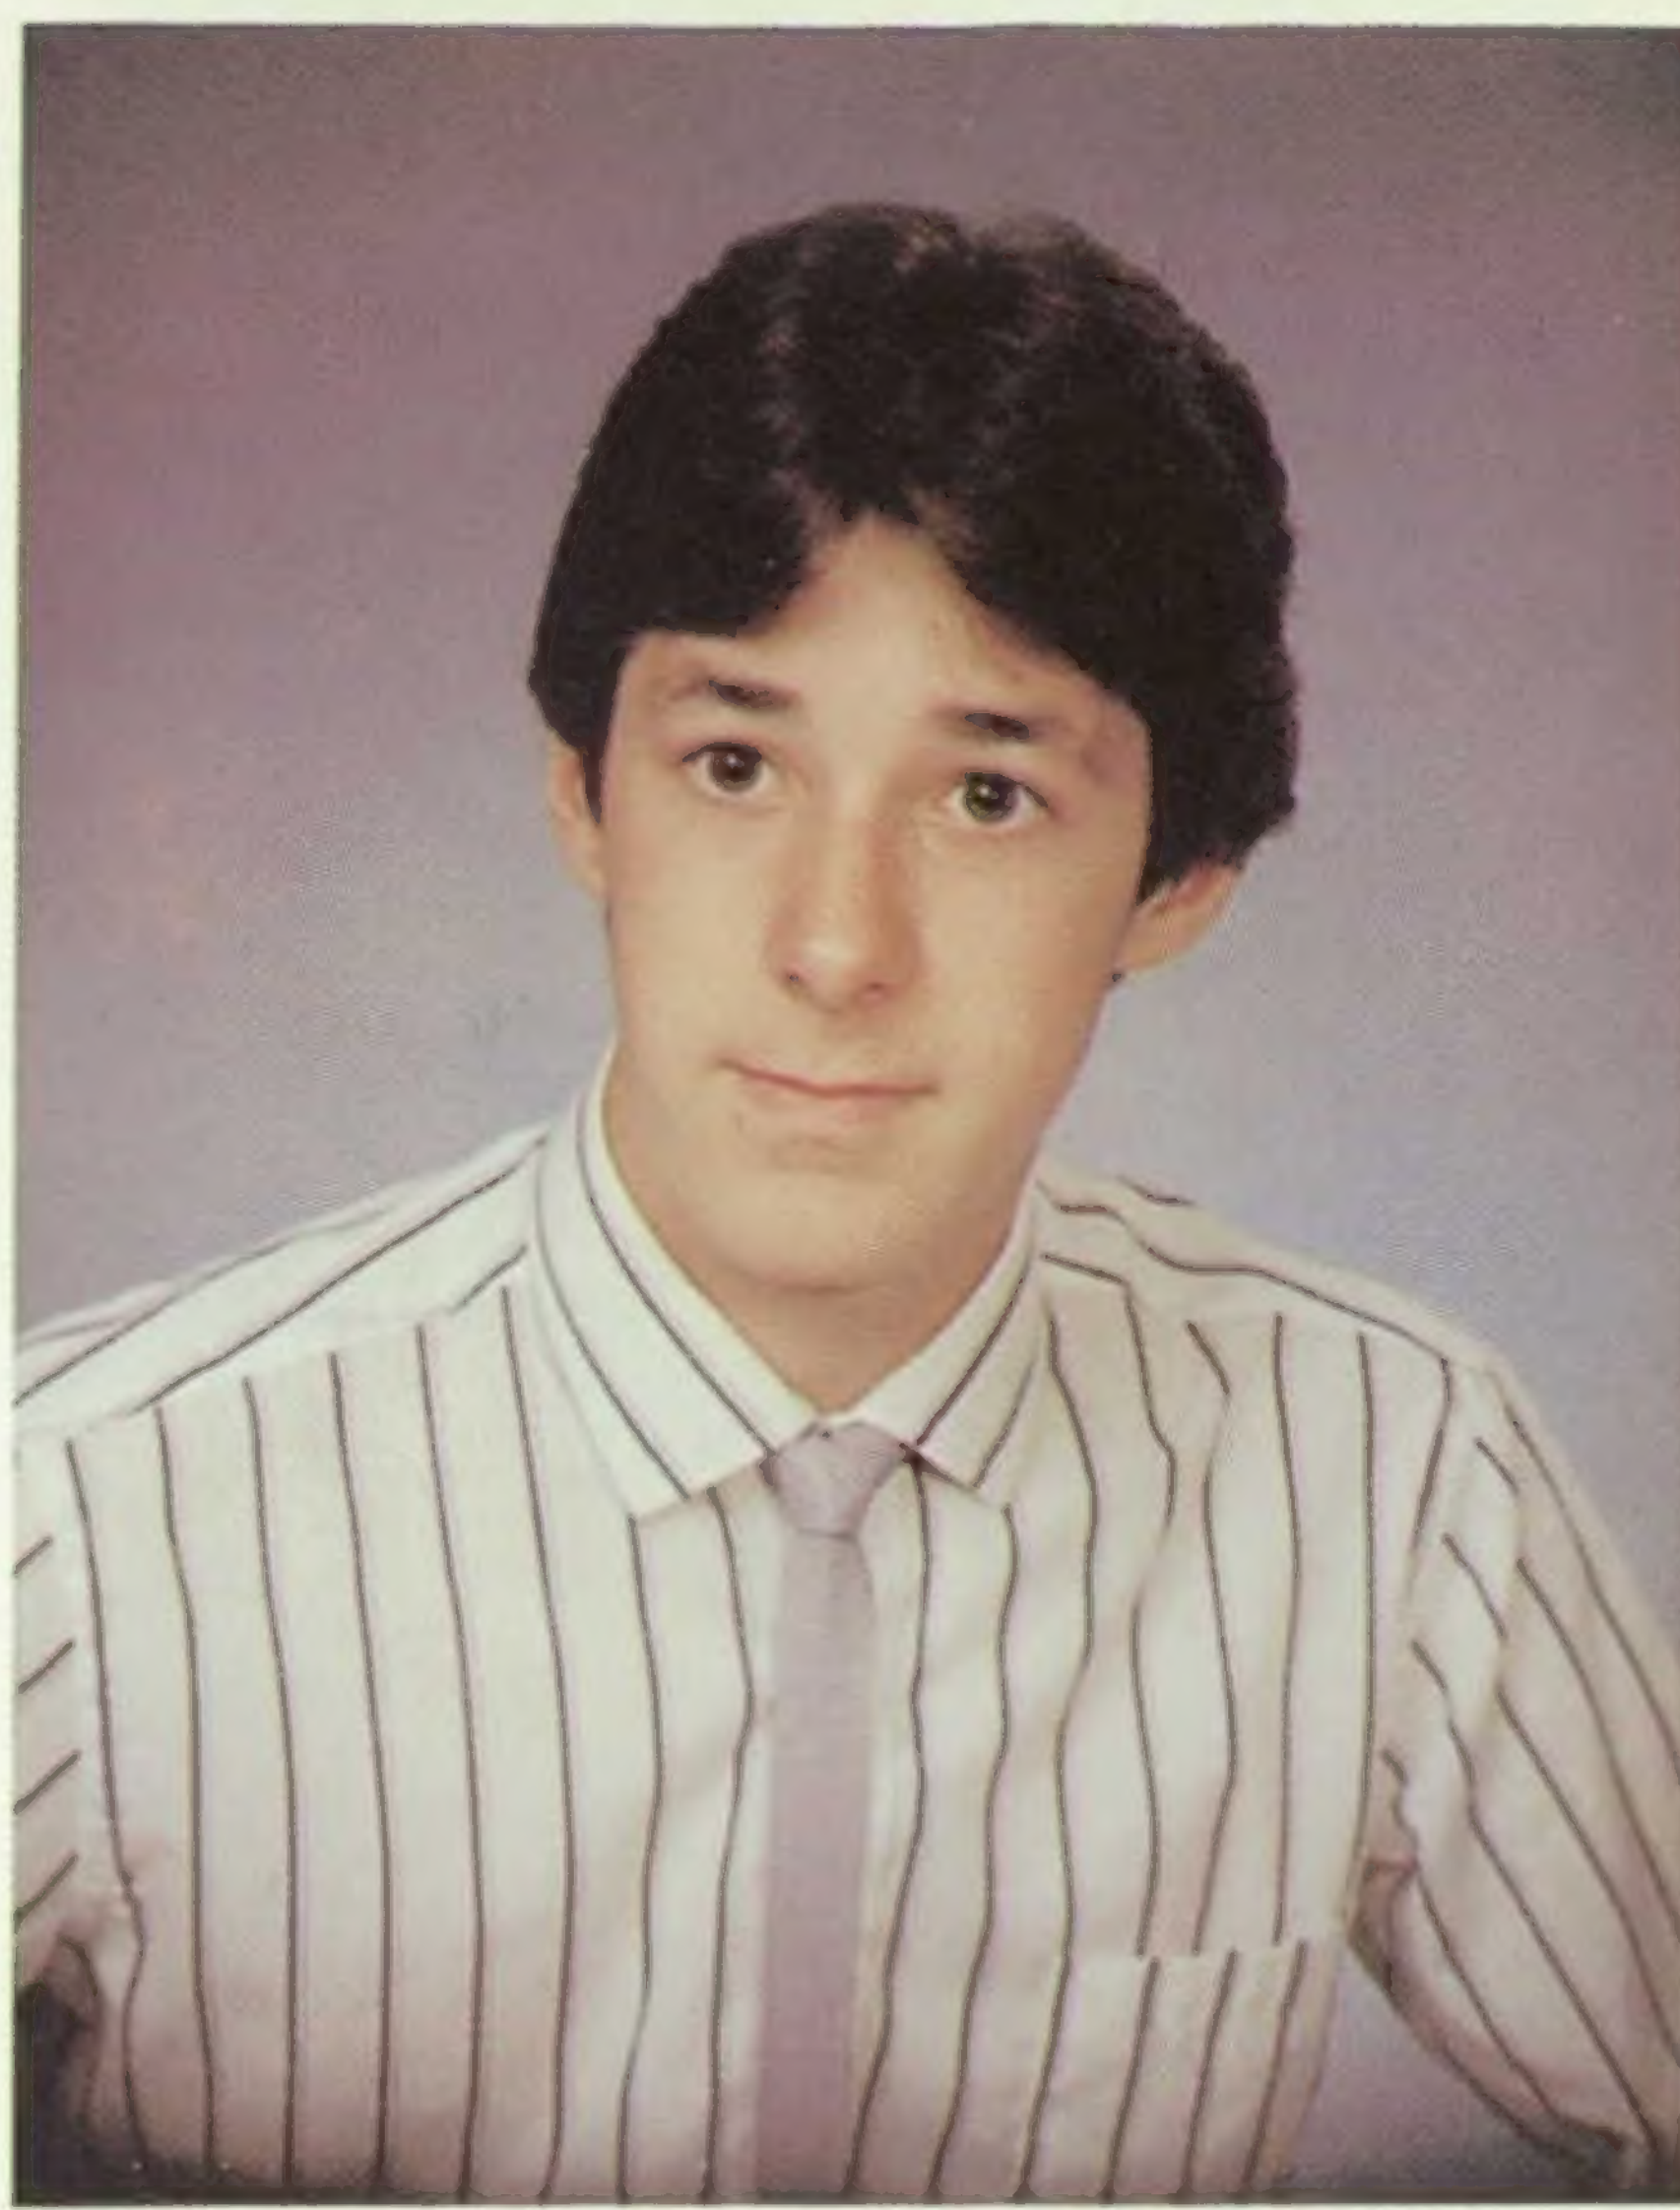

Forever is the turmoil in your
mind when it's time to
grow up

Some say that nothing is forever
But loving you, leaving you, growing with you,
and losing you is forever
in my heart

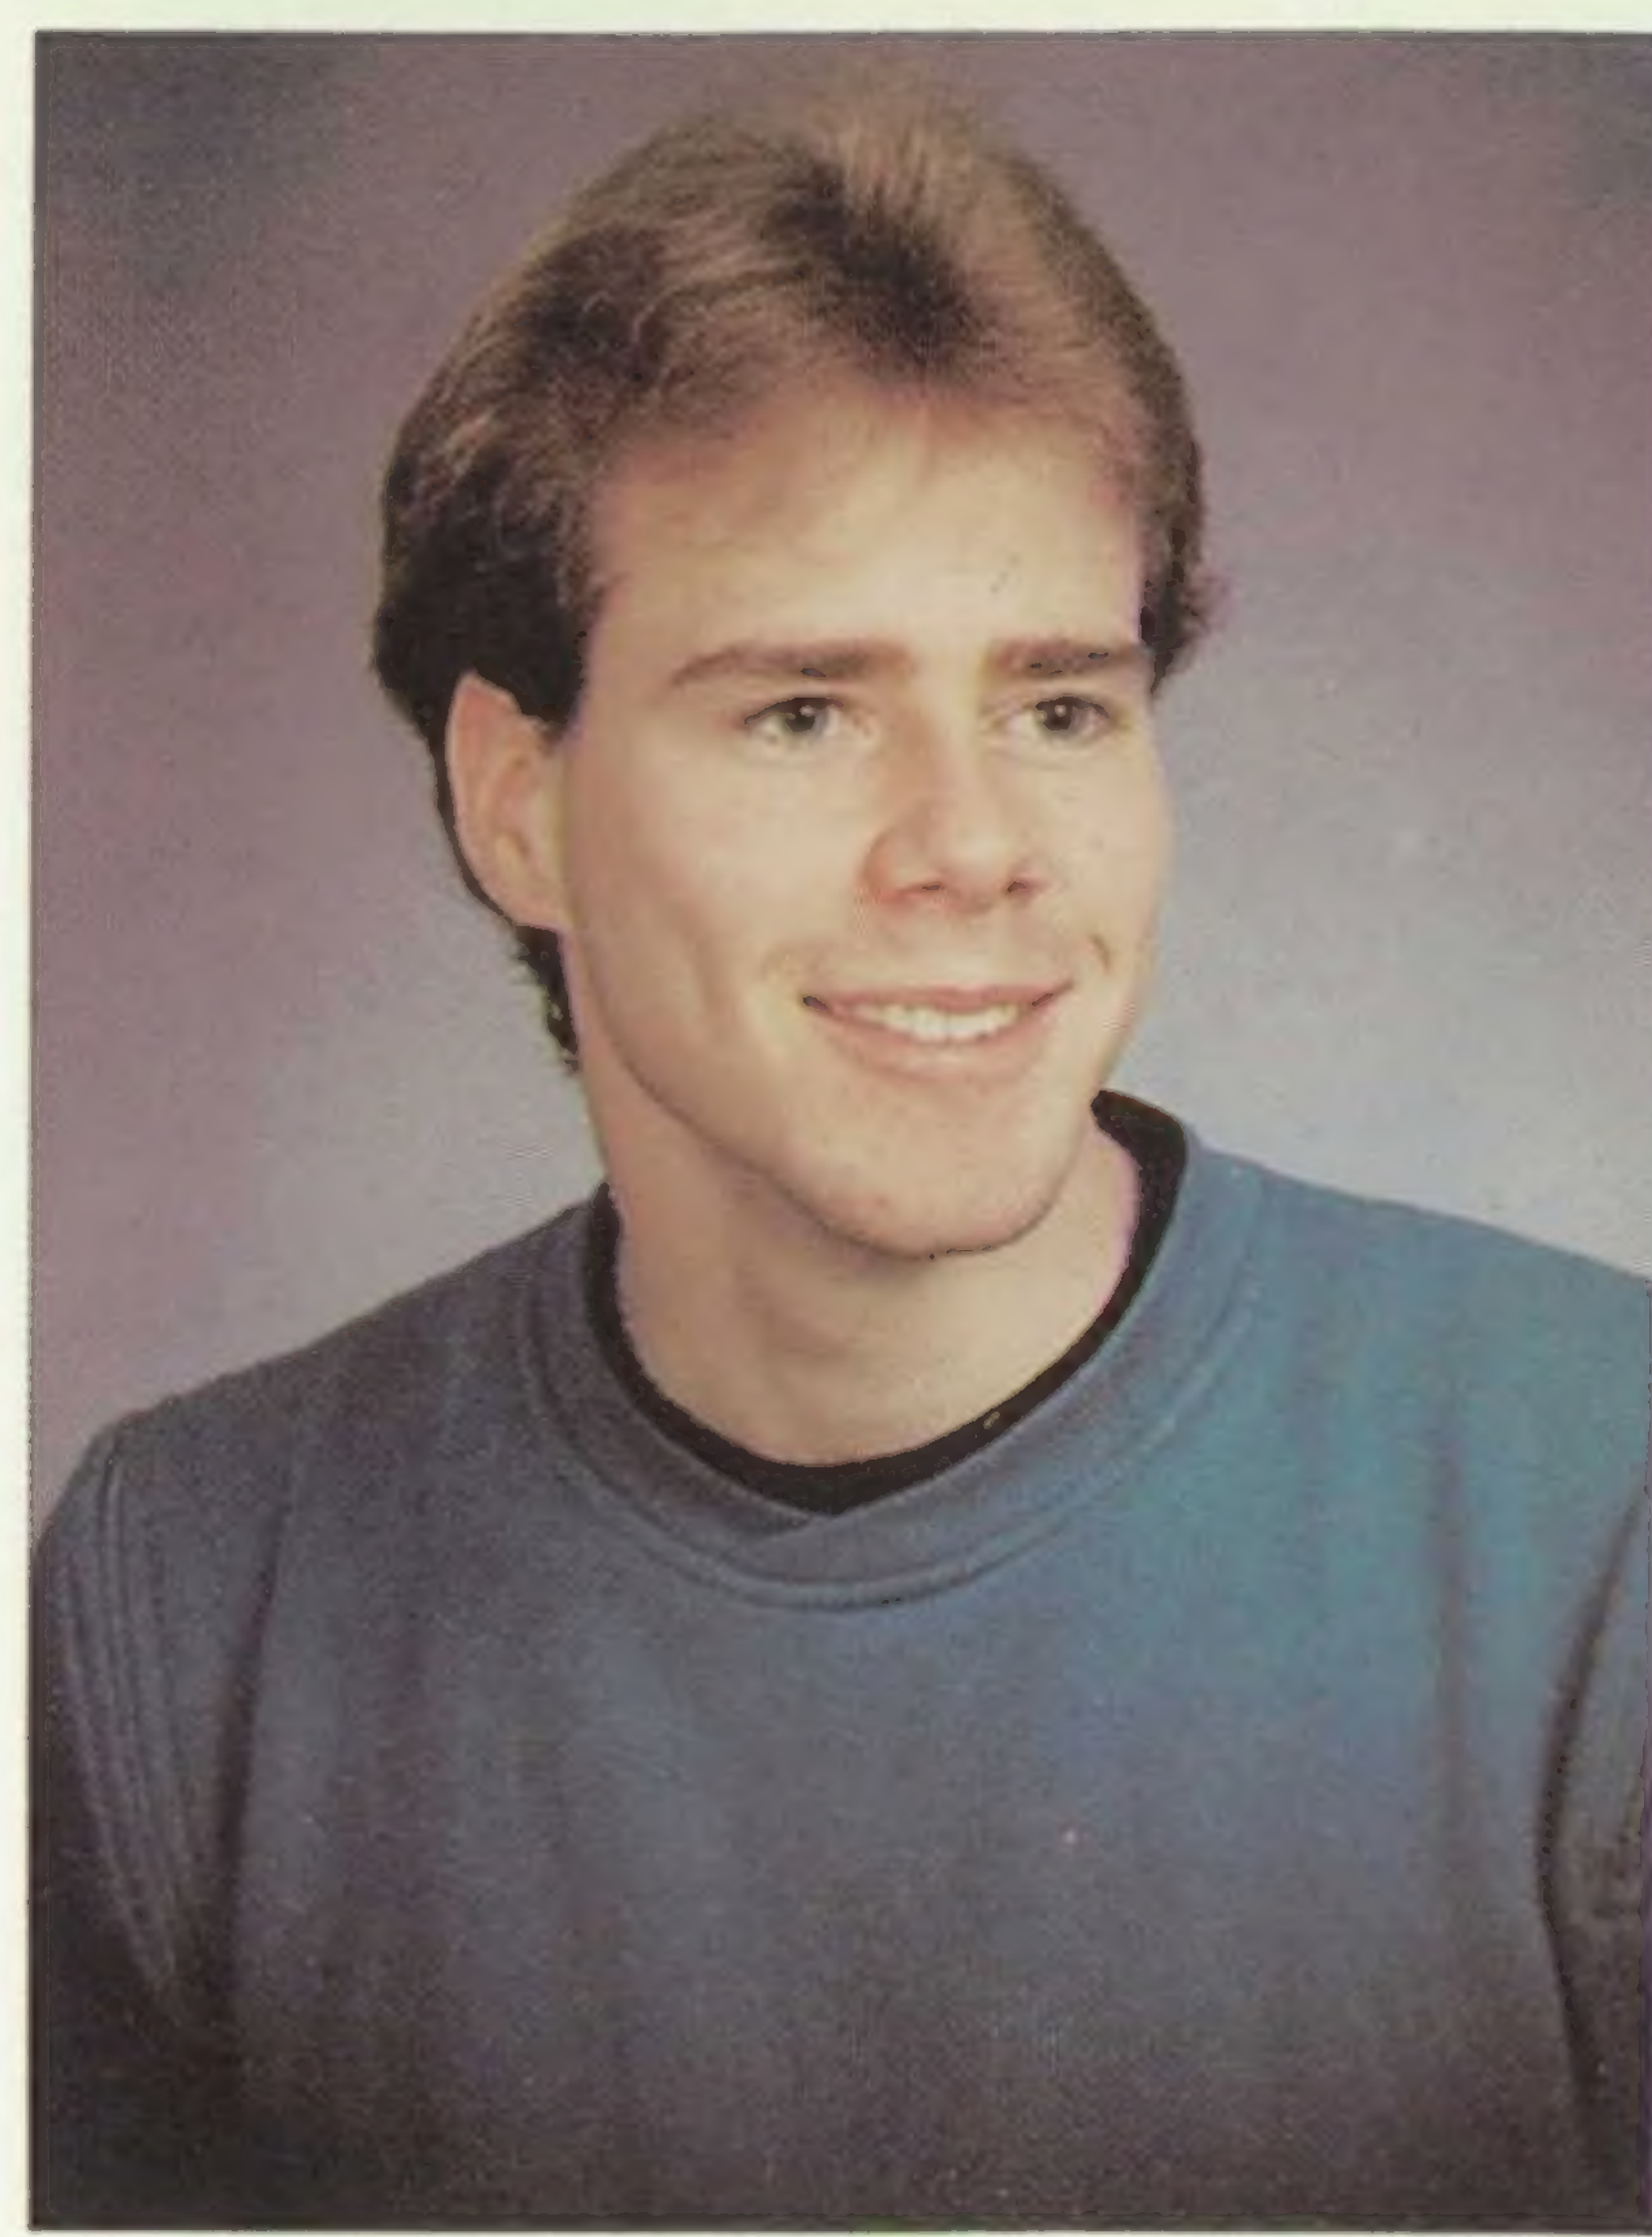

To all of our friends, remember us
forever.
